PCT No.: PCT/US98/25791
Int. Filing Date: 04 December 1998
Priority Date: 05 December 1997
Attorney Docket No.: LJEM110-1
For: INHIBITION OF TUMOR GROWTH
BY MACROPHAGE INTERVENTION

NOTIFICATION
OF
DEFECTIVE REPLY

This Notification is in response to applicants' "Second Renewed Petition Under 37 CFR §1.47(a)" filed in the United States Patent and Trademark Office (USPTO) on 23 May 2002.

In the decisions mailed 05 February 2002 and 26 April 2002, applicants were required to submit the complete declarations as executed by the inventors. Thus submission of a single page 2 is an incomplete reply to the 26 April 2002 decision.

The time period for furnishing the proper reply to the decision mailed on 26 April 2002 continues to run from the date set in that decision. **Failure to timely file the proper reply to the 26 April 2002 decision will result in abandonment of this application.** Any reconsideration request should include a cover letter entitled "Renewed Petition Under 37 CFR 1.47(a)."

Any further correspondence with respect to this matter should be addressed to the Assistant Commissioner for Patents, Box PCT, Washington, D.C. 20231, with the contents of this letter marked to the attention of the Office of PCT Legal Administration.
